

Is now the right time to learn about regulatory and HTA concepts?

Yes!
Always yes,
from the very first day!

Did you know ...

A lack of regulatory awareness can cause you to make strategic decisions that you might regret?
No need to be afraid, we have your back.

Attend the **DIA Startup Accelerator** on 12 March 2024 in Brussels.

- Get in direct contact with regulatory and HTA representatives
- Decode regulatory language and understand common pitfalls
- Reveal HTA and regulatory processes
- Contribute to bridging the gaps between Regulators, HTAs and Start-ups
- Receive a complementary pass for the 1st day of **[DIA Europe 2024]**
- Network with all DIA Europe 2024 participants
- Learn from our 1st Day Sessions [\[see the programme here\]](#)
